Description Stainless Steel Floor Mount Mop Sink

Conveniently dispose of dirty mop water with this **GSW** stainless steel floor mounted mop sink. This mop sink features a large, rectangular bowl design allowing for greater capacity, while its welded seams help prevent leakage. It is sure to stand up to consistent use in your commercial kitchen or washroom. Featuring a floor mounted fit, this sink sits low to the ground to minimize both heavy lifting and the spills that often come with it. Ease the cleaning process in your establishment by implementing this floor mounted mop sink!
