SHELVING COLLECTION

Chromate & Green Epoxy Shelving

ABOUT CULINARY ESSENTIALS SHELVING

Through Trimark's Culinary Essentials, foodservice professionals can access a fantastic array of quality shelving. Ensure that kitchens, walk-ins, and pick-up areas are organized and easily maintained with new Culinary Essentials shelving.

QUALITY

Culinary Essentials Storage Solutions are a testament to quality and durability. All shelving units were designed with extensive industry expertise that can be seen in everything from the optimal wire gauge to the overall weight capacity of the unit.

Our Green Epoxy Shelving is uniquely crafted with double-baked epoxy for maximum strength and includes built-in antimicrobial protection. Unlike competitors who apply antibacterial coatings post-baking, our solution ensures **long-lasting defense against food-spoiling bacteria**, making it the ideal choice for enduring kitchen organization.

All shelving is NSF Approved.

COMMITMENT

Culinary Essentials' Shelving Program prioritizes its customers by partnering with suppliers dedicated to maintaining optimal inventory levels and fill rates, ensuring no project is ever caught off guard. Our national reach allows us to streamline logistics for efficiency and reliability.

Our commitment extends to the quality and longevity of our products; both Chromate and Green Epoxy shelving are backed by warranties of 5 and 15 years, respectively, safeguarding against rust, corrosion, and manufacturer's defects under general conditions.

CHROMATE

- Zinc plated commercially-rated steel wire with ultra-clear coat.
- Open wire design minimizes dust collection and allows for free circulation of air. Provides optimum visibility of stored items.
- Ideal for dry storage.
- Often used for mobile order pick up stations and other display applications.
- 5-year limited warranty against rust, corrosion, or manufacturer's defect when used under general conditions.

GREEN EPOXY

- Zinc undercoated commercially-rated wire shelves, with optimum thickness of green epoxy to ensure long lasting performance.
- Ideal for wet or dry storage.
- Often used in walk-ins.
- Double baked epoxy for maximum durability.
- Baked in antimicrobial protection.
- 15-year limited warranty against rust, corrosion, or manufacturer's defect when used under general conditions.

MAKE IT MOBILE!

- Any storage unit can be made mobile with universal 5" Heavy-Duty Polyurethane Stem Casters.
- 300 lb capacity per caster.

BUILD YOUR SHELF

1. Choose Chromate or Green Epoxy
2. Pick shelf size
3. Choose mobile or stationary
4. Pick post height
5. Add casters or accessories

SHELVES

Shelves come with split sleeves.

74"	TMFGN074C	TMFGN074G	4
86"	TMFGN086C	TMFGN086G	4

SPLIT POSTS

Split posts come in 2 pieces that screw together.

Size	Chromate #	Green Epoxy #	Case
74"	TMFGSP74CH	TMFGSP74GN	4

CASTERS

Heavy-Duty Polyurethane Stem Casters

- 300 lb per wheel capacity
- Adds 6" total height to unit
- TMFSCAST5B - all 4 have bumper and breaks
- TMFSCAST5 - 2 have bumper and breaks, 2 have bumper without breaks

Part #	Description	Pack
TMFSCAST5B	5" SWIVEL STEM CASTER W/ BRAKE	1 SET OF 4
TMFSCAST5	5" STEM CASTER - 2 WITH BREAKS, 2 WITHOUT	1 SET OF 4

TM30058 - Split Sleeves

Black plastic, one bag required per shelf. Packed 4 sets per package.

TM93333 - Chrome S Hook

Use to eliminate 2 posts per adjacent unit. Two hooks required per shelf.

TMFLEVASM - Leveling Assembly

Zinc die-cast post insert and zinc plated threaded bolt with gray polymer cover to protect floors.

ACCESSORIES & PARTS

Part #	Description	Pack
TM30058	TAPERED PLASTIC SLEEVES - BLACK	1 PKG OF 4
TM93333	S-HOOK, CONNECTS ADJACENT SHELVES	1 PKG OF 2
TMFLEVASM	ZINC PLATED LEVELING ASSEMBLY	1 PKG OF 4
TMFSL244FPS	SIDE LEDGE, 24"X4"H, GREEN EPOXY	1 PKG OF 4
TMFSD18C	18" CHROME PLATED SHELF DIVIDERS	1 PKG OF 4
TMFSD24C	24" CHROME PLATED SHELF DIVIDERS	1 PKG OF 4

TMFSL244FPS - Side Ledge

24" long by 4" tall side ledge in green epoxy.

Chrome Plated Shelf Dividers

Keep your shelves organized and orderly with these 8" high pressure fit dividers.

GREEN EPOXY SHELVING KITS

Embrace convenience and efficiency with industrial quality shelving kits—ideal for cash and carry operations or simply easy ordering. Shipped in a sleek white box with a full-color label, each kit features NSF-approved shelving for top-notch food safety.

Each Kit Contains:

- 4 shelves with split sleeves (sizes below)
- 4 ea 74" stationary split posts - split posts screw together to reach full height

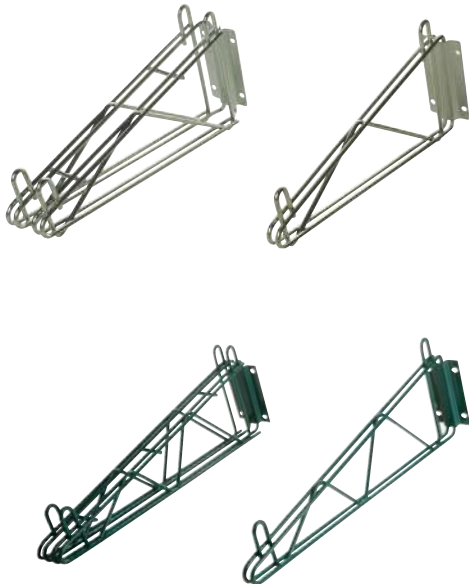

Part #	Size	Pack
TMFK183674GN	18" X 36" X 74" - 4 SHELF, GREEN EPOXY	1
TMFK184874GN	18" X 48" X 74" - 4 SHELF, GREEN EPOXY	1
TMFK243674GN	24" X 36" X 74" - 4 SHELF, GREEN EPOXY	1
TMFK244874GN	24" X 48" X 74" - 4 SHELF, GREEN EPOXY	1

WALK-IN APPROVED!

DIRECT MOUNT WALL BRACKETS

- Attach shelves directly to the wall to create built-in storage.
- Perfect overstations or sinks.
- Brackets are securely welded to the mounting plate for greater durability.
- Because mounting plate is welded to the bracket, it is much easier to align and install to a wall.
- The back of the shelf is within a fraction of an inch from the wall to save space.

Best Practices:

- Use single brackets at shelf ends and double brackets for adjoining shelves.
- Hardware to mount brackets to wall is NOT included. Please select according to type of wall.
- Order shelves separately.

Chromate #	Green Epoxy #	Description
TMFWB14SCH	TMFWB14SG	14" SINGLE
TMFWB18DCH	TMFWB18DG	18" DOUBLE
TMFWB18SCH	—	18" SINGLE
TMFWB24DCH	TMFWB24DGN	24" DOUBLE
TMFWB24SCH	—	24" SINGLE
