Heavy-Duty Cast-Iron Belgian Waffle Maker

TEMP AND TIME CONTROLS ON REAR PANEL

BATTER CUP

MAIN FEATURES

- Heavy-duty, high-durability cast-iron plates with quick heat-up and unsurpassed recovery time
 - Even heat distribution allows for quick and more consistently cooked waffles
 - Cast-iron plates come preseasoned, offering a permanent nonstick coating right out of the box
- Makes up to 30 waffles per hour (7.25" W x 1.125" H)
- Programmable temperature & time functionality on the rear of control box
- Rotary feature for even baking and browning
- Automatic countdown timer is triggered when waffle plate is rotated
 - Audible beep lets you know when waffles are done
- Easy 1-handle design to eliminate user confusion during operation
- Cast-iron guard rails and non-skid rubber feet for greater unit stability
- Dishwasher-safe removable stainless steel drip tray
- Great for high-volume chains, continental breakfasts and ice cream shops
- Includes 1 batter cup
- Maximum temperature 425°F
- One year limited warranty

SALES FEATURES

Transform your menu with versatile waffles that go beyond breakfast into both sweet and savory creations. Perfect for busy operations that require greater output for extended periods of time, this Belgian waffle maker features ultra-durable cast-iron plates that heat up faster and retain temperatures longer. Designed with a unique 360° rotary design to ensure even cooking of up to 30 flawlessly formed Belgian waffles per hour, the model is a must for creating a versatile menu staple with endless sweet or savory possibilities.
