5" X 30" T-Base: B530-STD

- Constructed of stamped steel for unparalleled strength and stability
- Superior to cast iron in that stamped steel will not fracture under heavier weights
- Labor-saver column and spider
- Easy two-piece construction: column attaches to feet with metric bolt, lock washer and nut
- Spider attaches to tabletop with (8) 3/4" #10 screws
- Includes non-marring, adjustable black levelers
- Recommended to use one size larger base for bar height applications
- F.O.B, Monticello, Iowa

SPIDER (A)	COLUMN (B)	FEET (C)
11" x 11" 15-1/2" DIAGONAL	4" WIDTH	5" x 30"
