- 18/8 stainless steel

859147

Extra Thick Bottle Opener

- 7" long
- Flat-shaped
- 18/8 stainless steel

323006

Wooden Muddler

- 8" long

737535

The Art of the Bounce Cut

Learn how to bounce cut, or quickly stop a pour, when making multiple drinks to increase your speed and efficiency. Simply line up your glasses, pour your first shot, and then shake the bottle once up and down to momentarily stop the flow before moving onto the next glass.
